Patient Care

Campfire safety: Injury prevention and treatment if burns occur

Campfires are common in warm weather in the Upper Midwest. A Mayo Clinic pediatric trauma surgeon offers injury prevention tips to disseminate in your community and treatment guidelines if burns arise.

[Learn more](#)

Fireworks injury prevention and treatment

Lighting consumer fireworks is a common Fourth of July tradition. Mayo Clinic trauma surgeons offer injury prevention tips to publicize in your community and recommendations for initial treatment for patients who present with fireworks injuries.
